### **CHUCK PLAISANCE RELIES ON CORDIAL QUALITY**

---

His musical career spanned over 40 years, involving – amongst others – Michael Jackson, producing, being a voting member of the Grammy Awards jury (NARAS) as well as of the Society of Composers and Lyricists (SCL) and the Audio Engineering Society (AES). In addition to that he has developed 3D-sounds and virtual instruments and holds workshops and seminars at media-oriented institutions. He is also the producer of more than 200 CDs for relaxation, meditation and Tinnitus therapy for which he recorded nature in the Brazilian rain forests, the waterfalls of Hawaii and the Mount Kilauea volcano. Chuck Plaisance has experienced all the facets of the music business.

Chuck has decided on using the full product range of CORDIAL cables for studio and live recordings. He states:

“Whether on stage or in my studio, I’ve realized that my equipment is only as good as its weakest link!

That’s why I use CORDIAL cables to guarantee the highest quality possible in my audio chain!”
